

## Our Values

### Honesty

We believe in fair work for fair pay. This holds true both within Abbey Aluminium and also for work we do for our customers.

### Integrity

We will always do what we can do to the best of our ability. We will always admit to what we can't do and seek an alternative solution.

### Respect

We respect each other, our customers and ourselves. We seek to understand our customers' needs and interests and will work to assist them.

### Diligence

We will complete the job on time and to the required quality and cleanliness.

### Quality

We will ensure that all work is completed to the highest possible quality, and is fully tested and checked before handover.

### Improvement

We are committed to continuous improvement in every part of the business and how we work with customers. We will provide training, investment and foster innovation so we can always do better than we have before.
